Specification sheet

Carbon Fiber

Name: Power Mobility Scooter

Model: Go Go Twist (MA03)

Specification:

Package size (L*W*H): 910*590*370mm(35.83*23.23*14.57in)

Unfold size (L*W*H): 880*550*920mm(34.65*21.65*36.22in))

Fold Size (L*W*H): 880*550*320mm(34.65*21.65*12.60in)

Seat cushion size (L*W*H): 350*400*50mm(13.78*15.75*1.97in)

Net weight: 15.5KG(34.17 lb)(excluding battery)

Net weight: 11.8KG(26.01 lb)(excluding battery and seat)

Net weight: 17.3KG(38.14 lb)(include one 10.4Ah lithium battery)

Battery weight: 1.8KG(3.97 lb)(10.4A,24V)

Gross Weight: 24KG(52.91lb)(Including packages)

Seat height from the ground: 550mm(21.65 in)

Maximum load: 182KG(401.24 lb)

Motor: 180W brushless

Battery: (Optional max 20Ah) 24V 10.4Ah

Controller: Intelligent controller

Headlights: LED

Taillight: LED

Screen: TFT screen

Rear wheel size: 8.5 " solid tires

Front wheel size: 7 "solid tires

Speed: ≤6 km/h(3.73mi)

Climbing Angle: ≤12°（according to the weight of user）

Steering: 4wheels steering

Minimum turning radius: 88cm(34.65 in)

Obstacle crossing height: ≤5cm(1.97 in)

Travel distance: 15km(9.32mi)(10.4Ah),
25km(15.53mi)(20Ah)

Brake: Electromagnetic brake

Charger: Special DC24V/2A AC110-250V

Charging time: 4-6h

NFC: Available

Character: 1.182KG loading capacity. 2.4wheeels steering 3.Removable seat module. 4.carbon fiber body.

EXTRA ACCESSORIES

For more details, please refer to the manual.

01

Detachable front bag

02

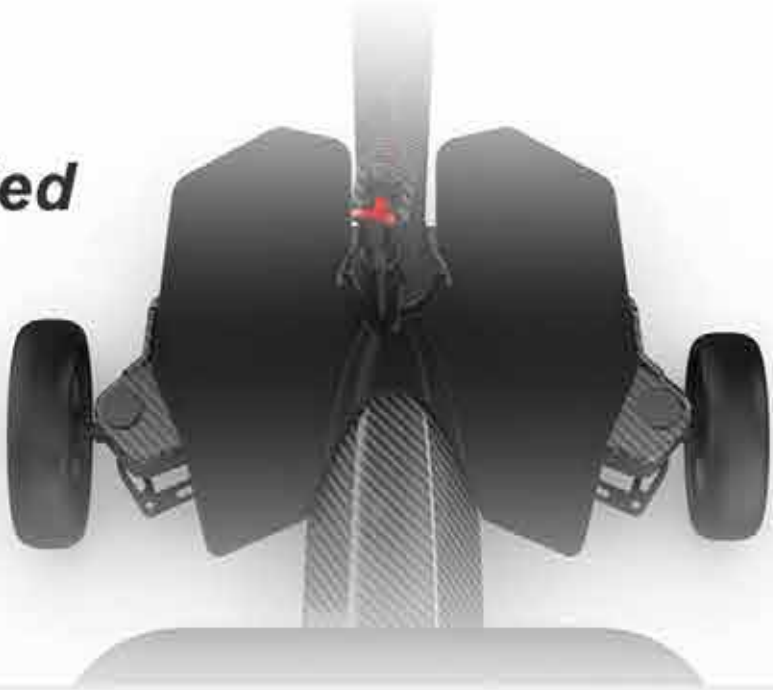
Detachable middle storage basket

Large capacity storage basket to meet shopping needs.

03

Removable extended foot pedal

Meet the comfort needs of legs for people of different heights.



04

Rearview mirror

Brakes for safety on ramps

05

Quick detachable armrest

Brakes for safety
on ramps
